

# The 'ORIGINAL' TRIUMPH TERRIER & TIGER CUB CLUB

## MEMBERSHIP APPLICATION FORM 2016.

The 'Original' Triumph Tiger Cub & Terrier Club was formed in 2003 with the intention of furthering the interests of owners, and to encourage the preservation and record of all remaining examples of the marque. It is a loose association of Cub enthusiasts, there are no rules or committee, and ownership of a bike is not mandatory. New members receive a welcome pack containing membership card, a complimentary magazine, usually featuring a Tiger Cub or Terrier, Register details, a free cd copy of the Triumph Cub Owners Book and works manual, newsletter, bikes for sale or wanted and the recommended suppliers list. Discounts are often available to members from suppliers of Cub stuff and services on production of your membership card. The Club is officially recognised by the DVLA and will support any applications to DVLA for original and age-related registration numbers with authorised copies, V765 forms and dating certificates. Club dating officer Mike Estall (mikeestall@hotmail.com) can supply all available Tiger Cub information. Clubstands are arranged at national events, complimentary tickets are usually available, and members are encouraged to meet up informally at their local events.

Communication is only by e.mail, if you haven't got email some one you know will have and hopefully will accept newsletters for you.
